

# Mamma Mia

I've been cheated by you  
since I don't know when□  
So I made up my mind, it must come to an end□  
Look at me now, will I ever learn? □  
I don't know how but I suddenly lose control□  
There's a fire within my soul□  
Just one look and I can hear a bell ring□  
One more look and I forget everything,  
woh, woh□□

Mamma mia, here I go again□  
My my, how can I resist you? □  
Mamma mia, does it show again? □  
My my, just how much I've missed you□

Yes, I've been brokenhearted□  
Blue since the day we parted□  
Why, why did I ever let you go? □  
Mamma mia, now I really know,□  
My my, I could never let you go.□

I've been angry and sad  
about the things that you do□  
I can't count all the times  
that I've told you we're through□

And when you go, when you slam the door□  
I think you know that you won't be away too long□  
You know that I'm not that strong.□  
Just one look and I can hear a bell ring□  
One more look and I forget everything, woh, woh

Mamma mia, here I go again□  
My my, how can I resist you? □  
Mamma mia, does it show again? □  
My my, just how much I've missed you□  
Yes, I've been brokenhearted□  
Blue since the day we parted□  
Why, why did I ever let you go? □  
Mamma mia, even if I say□  
Bye bye, leave me now or never□  
Mamma mia, it's a game we play□  
Bye bye doesn't mean forever□□

Mamma mia, here I go again□  
My my, how can I resist you? □  
Mamma mia, does it show again? □  
My my, just how much I've missed you□  
Yes, I've been brokenhearted□  
Blue since the day we parted□  
Why, why did I ever let you go  
□Mamma mia, now I really know□  
My my, I could never let you go
